

Commitment to Indigenous Ways of Learning Principles

DriveTreck Driving Academy is committed to honoring the foundational values reflected in the Seven Indigenous Principles:

Respect, Responsibility, Reciprocity, Relevance, Relationality, Reflection, and Reconciliation.

We recognize that driving is not only a skill, but a responsibility within a shared community and land. Our teaching approach values:

- Respect for self, instructors, community members, and the road.
- Responsibility for personal actions and public safety.
- Reciprocity through mutual learning between instructor and student.
- Relevance by connecting lessons to real-life experiences.
- Relationality by understanding that driving impacts families, neighborhoods, and future generations.
- Reflection to encourage lifelong learning and growth.
- Reconciliation through inclusive, culturally aware education practices.

We acknowledge that we operate on the traditional territories of Indigenous peoples and commit to fostering a learning environment that promotes safety, dignity, and shared responsibility for all.
